Executive Summary

Post provides an informal summary of the new certificate required by Venezuela for trade.

Begin Informal Summary

Certificate Highlights

The following data will be requested for filling the Exporting Phytosanitary Certificate format:

DESCRIPTION OF CONSIGNMENT

- Name and Address of Exporter
- Declared Name and Address of Consignee
- Number and Description of Packages
- Distinguishing Marks
- Place of Origin
- Declared Means of Transportation
- Declared Point of Entry
- Declared Quantity of the Product
- Botanical Name of Plants

This is to certify that plants or plant products described above have been inspected accordingly to appropriate procedures and are considered to be free from quarantine pests, and practically free from other injurious pests, and that they are considered to conform with the current phytosanitary regulations of the importing country
